
2018 International Coach Federation Credential Renewal Application

PLEASE NOTE:

This application is only valid if your credential expires December 31, 2018.

Credential Renewal Requirements

ICF maintains high standards for professional coaches worldwide and requires that credentials be renewed every three years. Renewal of the credential demonstrates your commitment to the professional standards in the coaching field, and to your own continued growth and education.

The following requirements apply to all ACC, PCC and MCC Credential renewals:

- A total of 40 hours of Continuing Coach Education (CCE) that have been completed in the three years since the initial award of your credential or since your last renewal. CCEs are divided into two categories; Core Competencies and Resource Development.
- Of the 40 hours, at least 24 of the hours must be content that is specific to developing your skills with the ICF Core Competencies and/or Code of Ethics. Advanced coach training, writing or research directly related to ICF Core Competencies is considered **Core Competencies CCE**.
- The remaining 16 hours may come from content that contributes to your work as a coach. Training, writing, research or self-study outside of the ICF Core Competencies that contributes to the professional development of a coach is considered **Resource Development CCE**.
- Demonstrate completion of at least three (3) Continuing Coach Education (CCE) units in the area of **coaching ethics**.

Additional Requirements for ACC Renewal:

Those wishing to renew an ACC Credential are also required to complete an additional 10 hours of mentor coaching above those required for the initial credential. This requirement is intended to promote continued growth as a coach and to help you move to the next level of credentialing. The following requirements apply:

- The mentor coaching must have been completed in the three years since the initial award of your credential or since your last ACC Credential renewal.
- The mentor coaching must be provided by an ICF Credentialed Coach and take place over a three month or longer period of time.
- A minimum of 3 of the 10 mentoring hours must be one-on-one coaching with the mentor. Group coaching may count for a maximum of 7 hours towards the mentoring requirement. The group being mentored may not consist of more than 10 participants.
- Effective July 31, 2018, at 12 Noon (NewYork), Associate Certified Coaches will need to complete at least one full cycle of their credential (through renewal) before they serve as a Mentor Coach.
