ACC ACSTH
Sample Application

Version 10.1.2019
The application dashboard provides an overview of all requirements for the credential. To begin the ACC-ACSTH application, you will need to click on each requirement tab to upload your information for that requirement.

You are not required to complete the requirements in any specific order, but you will need to complete all requirements to be able to submit your application.

We have provided a screenshot of each requirement on the following pages.

You will see symbols on your requirement tabs as you complete each task and again once we have reviewed them.

Below the requirement tabs, you will see the key for what the different symbols mean.

The CKA Exam is a tool that can be used to measure a coach's understanding of the knowledge and skills important in the practice of coaching. This requirement is unlocked once ICF has reviewed and approved all other requirements. If you have taken and previously passed the CKA, you are not required to take the exam again.
ACSTH Training Tab

When you click on the ACSTH Training tab, you will see the ‘Enter Training hours’ button. You may click this button and complete each of the requested items (see next screen). Please note that as you report your coach training, the percentage of required training reported will automatically update.
After clicking on the “Enter Coach Training Hours” button, a window will populate where you will provide the details of your coach-specific training hours, including the training organization, program name, total hours completed, and program start date. You will also upload your certificate of completion for your coach training here. After you enter this information, you will see the increase in the percentage bar. See sample on next page.

If you have training from multiple training programs, you will need to do an entry for each program.
ACSTH Training

Once you have entered the required number of training hours, the percentage bar on the main Training tab will automatically update.
For this requirement, you will need to click the “Add Mentor Coach” button to enter your mentor coaching information. The next page will show what information will be required.
If you have multiple mentor coaches, you will need to complete a separate entry for each mentor coach.
Applicants must demonstrate a minimum of 100 hours of client coaching experience with at least 8 clients following the start of coach-specific training. At least 75 of these hours must be paid coaching, and at least 25 must have been completed within the 18 months prior to the application submission date.

Applicants must answer a series of questions to attest they meet all coaching experience requirements for the ACC.
For each experience requirement listed, please place a checkmark in the box (by clicking your mouse in the box) verifying that you meet that requirement. You will then complete your name and total hours of client coaching experience at the bottom before submitting.
You will need to upload your recording on this page by clicking the “Upload” button.

Once you click the upload button you will be taken to a page where you upload your recording, provide the language of your recording and confirm that you have received permission to use the recording. See next slide for a sample.
After this, you will then need to click the Performance Evaluation Transcript tab to enter the transcript that goes with this recording.
