MCC Portfolio
Sample Application

Version 10.1.2019
MCC Application Dashboard

The application dashboard provides an overview of all requirements for the credential. To begin the MCC application, you will need to click on each requirement tab to upload your information for that requirement.

You are not required to complete the requirements in any specific order but you will need to complete all requirements to be able to submit your application.

We have provided a screenshot of each requirement on the following pages.

You will see symbols on your requirement tabs as you complete each task and again once we have reviewed them.

Below the requirement tabs, you will see the key for what the different symbols mean.
MCC Training Tab

When you click on the MCC Training tab, you will see the ‘Enter Training hours’ button. You may click this button and complete each of the requested items (see next screen). Please note that as you report your coach training, the percentage of required training reported will automatically update.
After clicking on the “Enter Coach Training Hours” button, a window will populate where you will provide the details of your coach-specific training hours, including the training organization, program name, total hours completed, and program start date. You will also upload your certificate of completion for your coach training here. After you enter this information, you will see the increase in the percentage bar. See sample on next page.

If you have training from multiple training programs, you will need to do an entry for each program.
Once you have entered the required number of training hours, the percentage bar on the main Training tab will automatically update.
Mentor Coaching Tab

For this requirement, you will need to click the “Add Mentor Coach” button to enter your mentor coaching information. The next page will show what information will be required.
If you have multiple mentor coaches, you will need to complete a separate entry for each mentor coach.
Applicants must demonstrate a minimum of 2500 hours of client coaching experience with at least 35 clients following the start of coach-specific training. At least 2250 of these hours must be paid coaching.

Applicants must answer a series of questions to attest they meet all coaching experience requirements for the MCC.
For each experience requirement listed, please place a checkmark in the box (by clicking your mouse in the box) verifying that you meet that requirement. You will then complete your name and total hours of client coaching experience at the bottom before submitting.
You will need to upload your recording on this page by clicking the “Upload” button.

Once you click the upload button you will be taken to a page where you upload your recording, provide the language of your recording and confirm that you have received permission to use the recording. See next slide for a sample.
After this, you will then need to click the Performance Evaluation Transcript tab to enter the transcript that goes with this recording.

Once you have completed all requirements for the credential (indicated with a ‘thumbs up’ symbol or green check mark on every tab) with the exception of the CKA Exam, the ‘Submit Application’ button will populate in the upper right corner and allow you to complete the submission of your application.

ICF Credentialing staff will send you a link to take the CKA exam once we have completed the review of your application.

Candidates who have previously passed the CKA are not required to take the exam again when applying for a new credential.
To complete the submission process, you will need to agree to the terms and conditions by clicking the “I Agree” button at the bottom of the page.
As part of the submission process, you will be asked for your consent for the data provided in your application anonymously to be used for ICF research and training purposes. Please respond by clicking either the “yes, I grant permission” or “No I do not grant permission” button.

This is completely voluntary. Your response to this question will not affect your candidacy for an ICF credential.
The final step of your application process is to pay for your application. You will need to click “Checkout” to complete this process.

If you have any problems submitting your payment, please contact us at support@coachfederation.org or click the chat feature on the ICF Credential page of our Website.
The following slides will provide instructions on how to get back to your application once you’ve created it.
